

CHUG, CHUG, CHUG WELCOME TO THE “NEW NORMAL”

East Texas Title Companies—TRID Train Newsletter—Issue 16

October 2015

The TRID is on the Move And “Business as Usual” has Changed Forever

Lenders, for each Loan Application you take today, a Loan Estimate will be due on Thursday, Oct. 8th. We’ve been preparing for TRID for months, and now we’ll put that preparation to the test. YOU CAN DO THIS!!! Just take one step at a time.

If you need any help on your early lender instructions, even if we’ve already gone over them with a fine-tooth comb, do not hesitate to contact me. Use this ALTA Three-Day Disclosure Chart to stay on track.

In addition to myself and the closers at each location, East Texas Title Companies and Flowers Davis PLLC are making the following individuals available to you this week to answer your questions and help you out with details:
