

REALTORS: ARE YOU ON THE RIGHT TRACK?

East Texas Title Companies—TRID Train Newsletter—Issue 18

November 2015

FIND OUT WITH ETTC'S NEW REALTOR GUIDE!

East Texas Title Companies has developed a new **Realtor Guide** to help East Texas Realtors work **more closely with area Lenders**, as well as more effectively **guide your clients** through the new TRID process.

The [Realtor Guide](#) will advise East Texas Realtors on:

- ◇ How East Texas area lenders will be handling **Closing Disclosures** for your clients.
- ◇ How both Buyer's and Seller's Agents can introduce the **Realtor Authorization Form** so you can access important closing information. We'll also help you determine which authorization form to use for which lender.

The Realtor Guide will be updated as East Texas Title Companies obtains more information from Lenders or adds new Lenders to the list. We'll keep the most up-to-date version of the Guide on our [website](#).

If your client's Lender is in the area and is not mentioned in the Guide, please have them contact me directly so we can get them on a track as well. We'll update the Guide as we get new information.

As always, let us know what we can do to help.

Best regards,
